*Dear Hub-*

Many thanks for your note offering assistance to Perry Wolff on his proposed dramatization of SUNRISE for Playhouse 90. I have passed this good word along to him.

I was recently visited by Bud Benjamin and Ike Kleinerman of the Twentieth Century series who related very happily that their talks with you were both pleasant and successful, and that there seemed to be an excellent chance that O.S.S film from World War II would be released to them for one of the episodes in their series.

[Redacted] spent last weekend here and they and the [Redacted] and ourselves had a very happy reunion.
